- **Please note that additional tickets for parents, teachers, chaperones, or other adults will not be available for purchase at the park on the day of a field trip. Due to limited ticket availability for each school's scheduled trip, it is essential that all tickets be included in the original reservation to ensure that all guests receive admission. We kindly ask that you communicate this information to parents to avoid any misunderstandings, as tickets cannot be purchased on-site. Field Station: Dinosaurs cannot be held responsible for any parents who are not permitted entry into the park.**

- For the safety of the children, chaperones who do not arrive with the group, who are not included in the group numbers and who are not on a list provided by the teacher will not be permitted to enter the park.

Payment

To secure and confirm all reservations, a non-refundable deposit of 50% or a Purchase Order is required within two weeks of making a reservation. The final payment is due two weeks prior to your planned trip. Please be aware that failure to submit the deposit by the specified due date may result in the cancellation of your reservation. Payments will not be accepted on-site at the park. We recognize that schools have established procedures for processing Purchase Orders, which may take time for approval. Therefore, due dates can be extended with prior authorization and communication. However, without such prior authorization, reservations may be subject to cancellation due to non-payment. All trips are required to be paid in full prior to visiting the park, this includes reservations with Purchase Orders. Any special arrangements for PO's must be communicated in advance with our group sales department.

***IMPORTANT NOTE:** We would like to bring to your attention that due to the high demand for school field trips, many dates are fully booked and availability is limited. As such, we will be strictly enforcing the deposit and Purchase Order due dates. Please note that payments or Purchase Orders not received by the established due date will result in the cancellation of your reservation. Schools on the waiting list will be given priority in reserving available trips.

FSD cannot be held responsible for missed payments or canceled reservations due to non-payment unless a timely request for an extension on the due date has been communicated.
